

This agreement is between Specialized Services Company (SSC) and the client listed below. The services to be provided include consulting to provide information pertaining to underground utility construction. The methods of Trenchless Technology are the focus of the information that will be provided based on over forty years of experience in providing this service to contractors, municipalities and engineering firms within the state of Arizona and elsewhere in the United States.

Please furnish the following information regarding the project that the consulting will be provided for:

Company: _____

Contact: _____

Title: _____

Phone: _____

Email: _____

Project Name: _____

Briefly describe your request: _____

Timeline: _____

The above agreement and terms have been read and agreed upon as indicated by the signature below. Once this agreement is received SSC will contact you to schedule a consultation.

Authorized Client Signature:

Date:

Arvid Veidmark, III

Date:

Payment Terms:

- The related fee is \$150.00 per hour with a two hour minimum.
- Time exceeding the minimum will be billed in 30 minute increments.
- Payment shall be made to Specialized Services Company. Payment terms are net 15 days with 1.5% interest due on unpaid amounts.
- Should collection become necessary, both parties deem this agreement to be a legally binding agreement and it will be used in a court of law. Additionally, interest and legal and related fees associated with collection will also be the responsibility of the customer.
