

## FAQ Answers 5

Got a question? We've got a quick answer. Can't find what you're looking for here? Give us a call 602-997-6164 or email [arvid@sscboring.com](mailto:arvid@sscboring.com)

- What is the longest bore you can perform?

- What are the largest and smallest bores you can accomplish?

- I have several different utilities to install; can you install more than one conduit at a time?

- How many conduits can you install at one time?

- Can you bore through solid rock?

Yes. We can bore through solid rock using directional boring, auger boring or hand tunneling. SSC can provide procedures to cope with any mix of soils.

- How accurately can you install a product line?
